

Teufelberger Ambassador

Passion for trees has no borders.

We at TEUFELBERGER believe in people who follow their passion and live their dreams, because we are the same. We love what we do and want to share our knowledge with you to make being an arborist easier and safer.

That's why we started the TEUFELBERGER Ambassador program to support this goal. A team of established arborists and newcomers from all over the world unites under the TEUFELBERGER brand. They represent TEUFELBERGER at tree climbing competitions, share their expertise with the community and spread their passion – because passion for trees has no borders.

Why are we doing it?

- ✓ To promote knowledge sharing all over the world
- ✓ To encourage safe use of equipment according to norms and standards
- ✓ To promote best practices and expert tips for daily use
- ✓ To boost the interest for the profession of arborists
- ✓ To support newcomers in the community to make their way
- ✓ To spread passion for trees in the community and beyond
- ✓ To promote a responsible treatment of nature

“We love arborists and their passion for the profession. The Ambassador program is our way to support them on their way. The passion for trees has no borders!”

Ludovic Rambert - Business Unit Manager - Treecare
